

Aquil's Story

Thanks to the collaborative effort of Ellen Facciolo, SC supervisor, and Kathyria Rivera, Supports Coordinator, Aquil is one step closer to achieving his life goal, to become a Spanish interpreter. Aquil is an adult with disabilities who wants to become fluent in the Spanish language. Ellen and Kat applied for and won a portion of the mini-grant through the "Got Mike Fund" (<http://www.gotmikefund.org/our-mission>) which funded Spanish tutoring sessions twice per week for a 4 month period. Visit Aquil's website, <https://aquilenespanol.wordpress.com/> which chronicles his journey. See this determined individual takes on the task of learning and cultivating the Spanish language.
